### Opening Doors to Learning – STEMInAction Educational Resources

Dear readers,

great news!

STEMInAction is unlocking a treasure trove of educational resources for teachers across Europe. Our Online Educational Resources (OER) are now available, providing free access to virtual courses and a wealth of STEM teaching materials. With over 30 videos and tailored curricula for preschool, primary school, and specialized teachers, we're revolutionizing the way educators engage with STEM subjects. Dive into our website to explore the rich offerings and empower yourself with the tools to inspire the next generation of innovators. Join us in this exciting phase of STEMInAction as we shape the future of STEM education together.

Warm regards,

STEMInAction Germany Team
