Newsletter 1: Exciting Beginnings

Subject: Unveiling STEMinAction – Empowering Educators, Inspiring Minds

Dear readers,

We are thrilled to kick off our journey with the announcement of our ambitious project, STEMinAction – a collaborative effort to revolutionize STEM education across Europe. STEM, encompassing Science, Technology, Engineering, and Mathematics, is at the forefront of shaping future innovators.

In partnership with seven esteemed organizations from Turkey, Belgium, Romania, Ireland, Germany, Croatia, and Greece, STEMinAction aims to empower educators and inspire young minds. Funded by Erasmus+, this 24-month initiative is set to redefine how we approach STEM education.

Stay tuned for updates as we embark on this exciting adventure to create a meaningful impact on educators and students alike. Together, let's pave the way for a future filled with innovation and curiosity.

Warm regards,

STEMinAction Germany team
